# SECURITY SCREENS ANTI COVID-19

Social Distancing is changing the way we interact and Tremain is offering solutions to make your work environment safer.

## DIVIDE

Keep everyone safe with this solution that not only creates a safe environment to work, but also gives you the ability to reconfigure your space as needed since it doesn't require special tools to install, just place it where you need it and you're good to go.

## DESIGN MATTERS

Dividers shouldn't be boring so you can choose between Glass, Frosted Glass and laminate so your workspace will look great and we can guarantee it will also be easy to keep clean.

Universal Screens

- Freestanding Screen Guard clear tempered glass

- Freestanding Screen Guard frosted tempered glass

- Freestanding Screen Guard laminate

Work environments have to adapt and Tremain offers solutions to integrate screen guards in an existing workstation with a freestanding design that allows you freedom of movement as well as easy to clean surfaces.

# MODULAR SCREENS

**BEFORE**

**AFTER**

Social distancing is one of the most important measures we have to take to reduce contagion in the workplace, with modular screens you can achieve that goal while maintaining the original design of your workstations.
